1

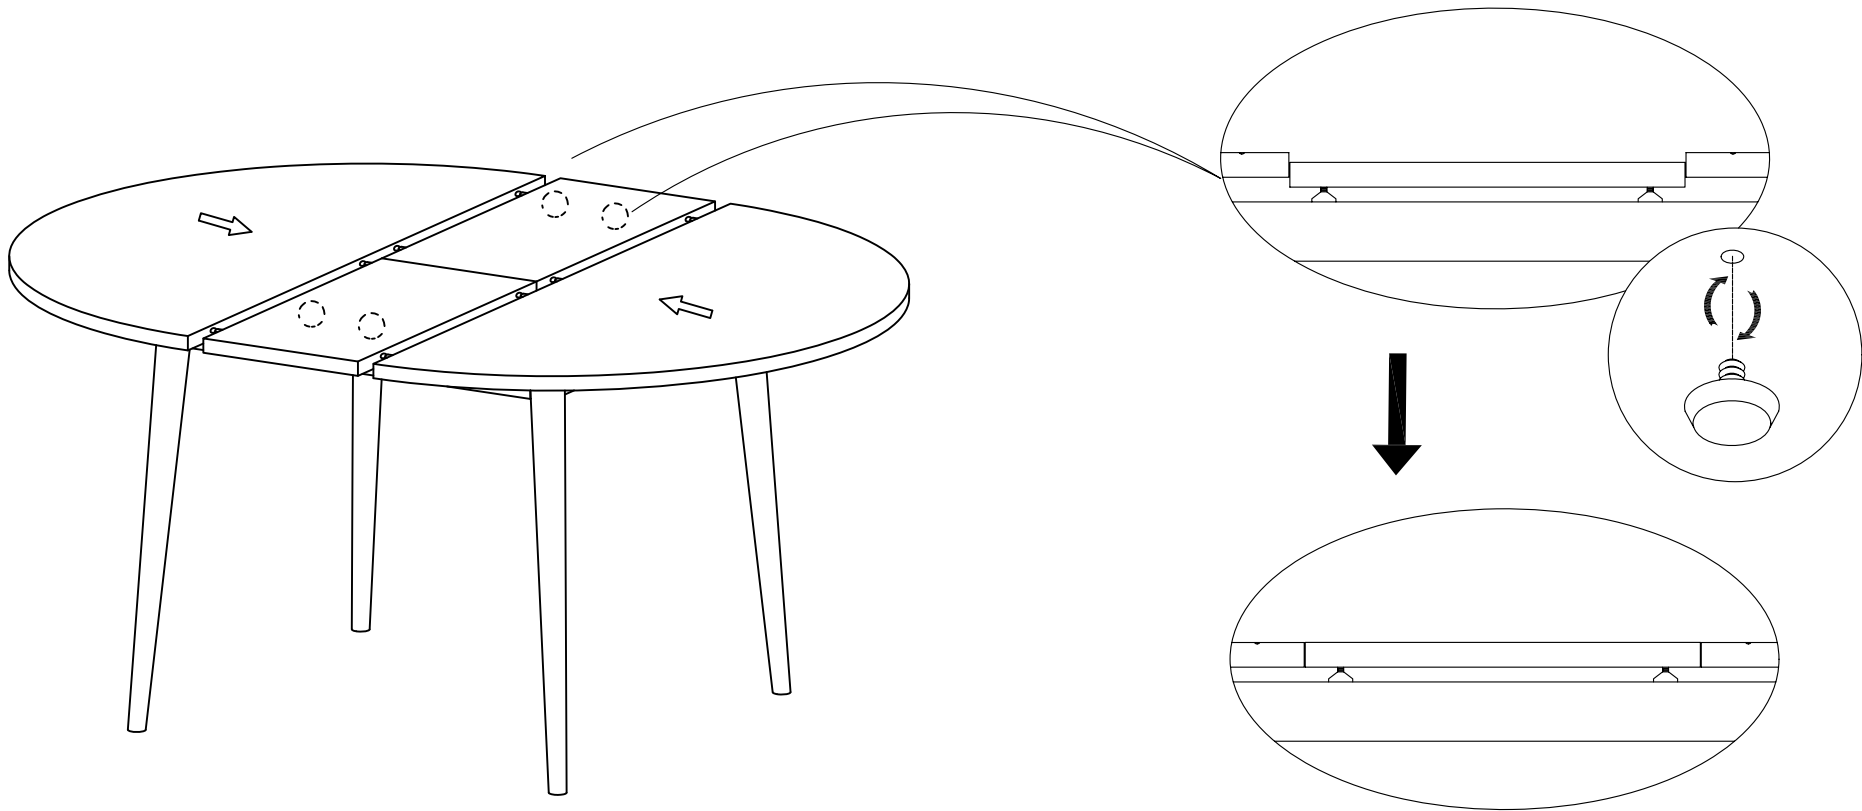

A		8	B		8	C		8	D		1
	M8*55mm			Ø8*17mm			Ø8*13mm			M5mm	

2

To install the extension, first open the center of the table by unlocking the two latches on each side. Then, gently unfold the mechanism of the central panels located inside the table.

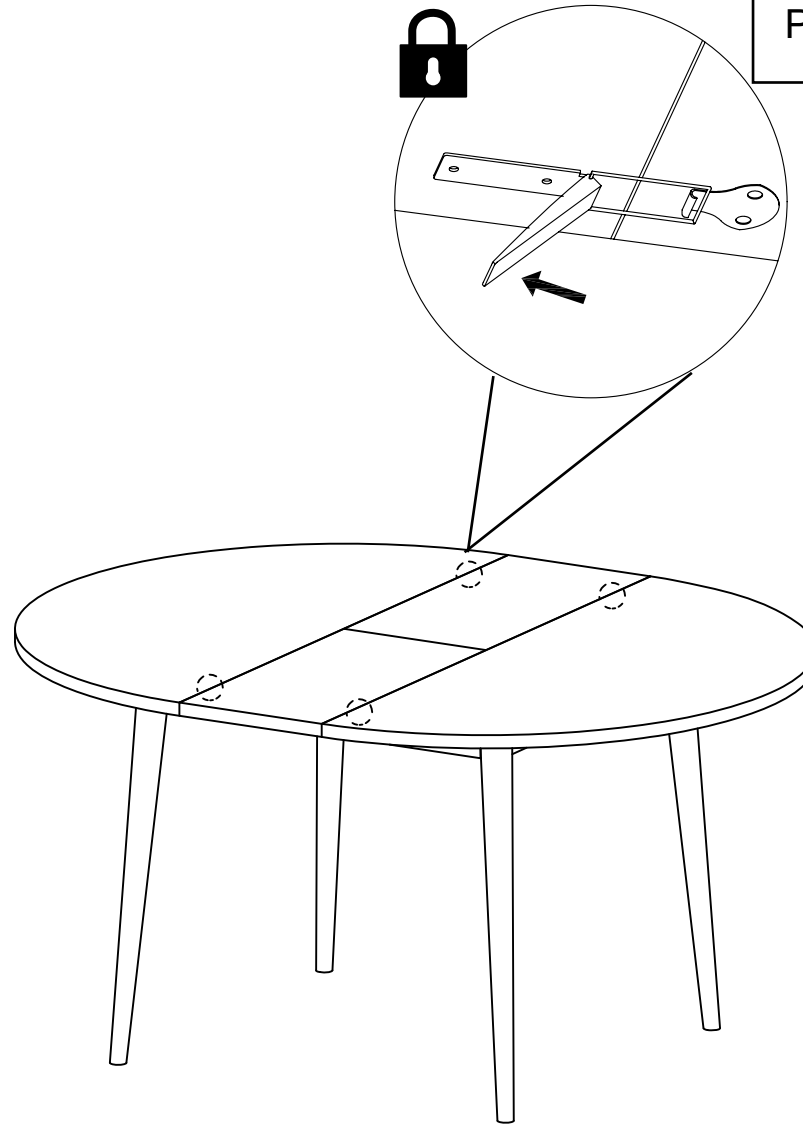

It is important to adjust the height of the central panels by screwing/unscrewing the screws so that the central panels are aligned with the side panels.

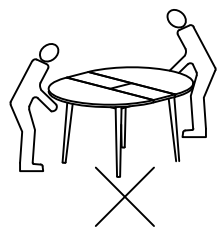

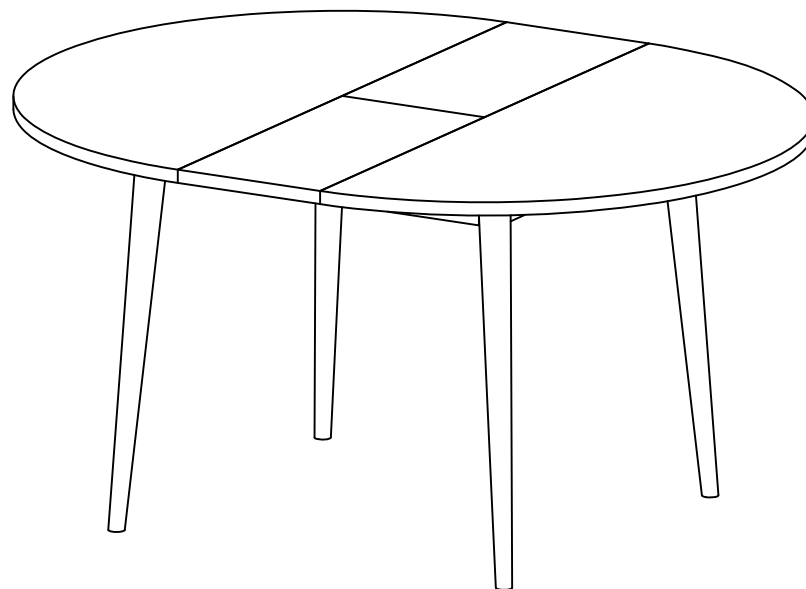

The central panels must be at the same level as the panels on each side.

4

Please close the 4 latches as indicated.

5

ATTENTION: Please lift carefully
the table as shown below.
